

Generous, community-minded individuals, families, businesses and organizations such as those listed below have partnered with The Cape Cod Foundation for almost 30 years to achieve their charitable goals by establishing named funds. Totalling over 300 as of January 2019, these funds produce income to make grants to a variety of agencies. To learn more about funds and grantees, please visit www.capecodfoundation.org.

The Foundation also oversees additional funds that will be created in the future from planned gifts. The Foundation manages charitable annuity and trust funds, which provide income to the donor and other beneficiaries and support future discretionary or designated programs in the community.
